OFF MY CHEST

Editor's Notes

You want hot big tit babes getting fucked? Well, you've come to the
right place. We have a bevy of busty bitches in XXX action for you this
issue. We open this month's smut-fest with relative new-cummer
Michelle McClaren. She is one dirty slim & stacked honey. We spent a
few days shooting in my studio – just about everything we shot was
XXX. She actually asked me if I'd like to shoot some anal. Well I'm
always one to try to please, so I said, "Of course", as I handed her the
lube. Gotta love a chick who knows what she likes...especially when it's
anal. From there we jump right into Amber Foxxx's hot twat. She's get-
ting funky with another big-titter and a big-cocker. Great girl, that
Amber. Busty, long and leggy perfectly describes our next entry into the
Gent family. Trina Michaels has a wonderful set of yabos topping off her
long legs and hot pussy. Brandy Dean has some big titties and loves to
fuck. 'Nuff said. Jordan Blue... she sure did, and the stunt cock guy was
loving it, until he exploded all over her boobs. Now, while we're on the
subject of huge breasts, you just have to take a look at Kashmere. Her
hooters are so big and squishy; you just want to dive right in to her
deep cleavage. This month's covergirl Crystal has graced our pages in
the past. She's up to her old tricks again and looks spectacular. After a
short career break, Latia Lopez is back and looking bustier than ever. It
also seems that she hasn't lost a thing when it comes to knowing her
way around a big hard cock. When it comes to incredible natural tits,
Super MILF Carrie Moon is second to none. Her boobs are pretty damn
near perfect, as is the way she she rides her lucky boy-toy. Veronica
Rayne has a smokin' little body and a great rack. Davia Ardell tackles
a huge cock that stretches her little pussy to the max. Last but by no
means least we have Nikki Jackson getting personal with Sunny Day.
I had shot both of these two hotties separately. My last trip to Vegas
had both of them there at the same time. I knew getting them togeth-
er would produce something very special. The planets were in such
perfect alignment that day that when they reached into their bags,
they both pulled out the exact same dress. That had to be some kind
of sign. Be very cautious when you turn to this layout. Anyone with a
heart condition or pregnant women should probably skip this one! It's
freakin' hot! Speakin' of hot...Rhiannon relates her very first girl/girl
experience with an innocent classmate. Seems she had her deviant
side way back in grammar school. That's why we love her...dirty girl!
We take you behind the scenes of a big-tit DVD shoot in Back
Stage Pass during the filming of "Big Tit Brother Lovers". Nikki Benz
confesses her love of XXX girl/girl photo shoots. That's merely a taste
of what we have in store for you this action-packed issue of Gent.
When all is said and done...It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Gent,

I'm an executive secretary for a firm that is all men. I am the only female in the office, so I get a lot of attention. Of course having a nice rack doesn't hurt.

Last week we had the company Christmas party. Spouses were not invited, which was fine with me since my husband tends to get a little jealous with the way the guys look at me.

The party had just gotten started. Everyone was pounding the free drinks, so things were getting loose and happy. All of a sudden my boss, Robert pulls me into his arms and plants a deep tongue kiss on me. Although I was shocked, I went with it and my pussy started dripping immediately. I have always thought he was rather sexy, but always wanted to keep things very professional. As I dropped to my knees and pulled down his zipper, I guess that plan went right out the window.

When his hard cock sprung out through his zipper, I was pleasantly surprised at the size of his meat. At this point I decided to skip the appetizers and move straight to the main course. I swallowed his salami in one breath and slathered my tongue all around his steely shaft. I used my hand to pump him back and forth while I sucked firmly on the bulbous head.

When a took a quick look around, I saw that all the other guys from the office were standing close, watching and stroking their own hard cocks. Before I knew what was happening somebody took my head and pulled it onto another cock. Next thing I know I'm moving from dick to dick sucking each guy in the circle with another cock in each hand.

After at least 15 minutes of sucking each guy, Robert picked me up and moved me over to the sofa. He sat down and pulled me on top of him, splitting my cunt lips with his straining cock. I slid down until he was fully encased in my hole. One of the other guys came up and pulled my face back down to suck his dick. I greedily swallowed it as Robert raised his hips up to fuck my needy pussy.

As I was getting lost in the ecstasy of the situation, I felt something pushing at my backdoor. Whomever it was spit into my crack and used a finger to open me up. I felt some pressure at my ass-hole as the dick head eased inside. The pain as the head opened my brown eye was quickly replaced by pure pleasure. Once the head broke through, the rest of the thick shaft easily followed. My ass-hole was com-

pletely stretched open as he began to move in and out.

Both men began to slowly fuck my holes. I could feel both cocks rubbing together through the thin wall between my cunt and butt. The pleasure was indescribable as they picked up the intensity. I was lost in a world of passion as these two studs pounded my wanting holes. I reached for the nearest cock and swallowed that one down too. All my holes were filled with sweet meat. They all rocked back and forth filling me completely as the first signs of a huge orgasm began to rise in my belly. My twat was on fire as I rode to orgasm. I was thrashing about; barely able to scream around the cock that was filling my throat.

The guys were not to be left out and all three erupted with streams of boy-juice filling my quivering orifices. The guy in my mouth blasted so hard that I wasn't able to pull away, it merely shot straight down my throat.

When I finally calmed down they pulled their shrinking cocks out and passed me to another group of guys. They picked up were the first guys had left off and proceeded to fill me up again.

I was passed around and sucked the cock-cream out of each and every dick in the place – some more than once. When they were finished with me they helped me pull my dress back on. Just as I was somewhat presentable, my husband walked in, to give me a ride home. As we walked to the car, he asked if I had had a good time. As I told him that it was "just the typical boring corporate Christmas party", I could feel the cum dripping from my well-used cunt and running down my leg.

Dear Gent Editor,

I just picked up the March 2008 issue. Where did you find Starla Sterling? She is amazing. Just looking at her face on the cover nearly made me shoot a load right in the store. She has great tits too!

While I love all the girls, I am particularly fond of Victoria Valentino. I've never seen her before either. I always judge the models by the power of my orgasm when I'm jerking off looking at their pictures. The feeling was almost as good as the one I got from Starla, so I think she's a winner.

Also, Sheena rocks too. The centerfold is so hot and dirty. It's quite obvious that she definitely knows how to burn a guy down. She just looks like a hot fuck!

Keep up the great work. Gent will be my jerk-off stimulant of choice from here on out.

Tim Grounds
Covington, TN

Tim,

I found Starla last summer in Vegas. I was so taken with her that I actually brought here back a second time. I first shot Victoria the previous year in Vegas. She has since become quite the little porn slut – which is a good thing. And Sheena – I totally agree with you. She just radiates sex. She was awesome in the studio where we spent 2 days shooting all sorts of smut. You be seeing lots more of all three.

Anton the Furyous one

Anton,

Dee Dee Deluxe has never looked so good. In-Fucking-Credible!

Thank you, thank you, thank you!

Darryl,

I so agree! Smokin'!

PHOTOS BY BIG DICK JOHNSON

Would you believe that after a steady stream of cock for a whole night that I would still be horny the next day? Well, that is exactly what I was feeling the day after a night at the World's Largest Gangbang attempt! I wasn't sure there was a cock left in Columbus that hadn't been drained the night before, so I decided to do the next best thing and go knock on the door of fellow fluffer, Autumn Thomas (www.autumnshotlips.com) to get some satisfaction before the long drive home.

As luck would have it, Autumn had been thinking the same way I had, and already had found a guy that was willing to fuck, although since he had been one of the gangbang participants, I wasn't convinced he was ready. I told him to sit back and watch a little bit of what us girls were ready for.

I grabbed Autumn by the hand and led her to her bed, and told her I had a little surprise for her. I think she knew what I was talking about, because she instantly reached under my skirt to find what I had been planning. I didn't think there was a cock that could get going that morning, so I had strapped on my own! She smiled at what I had for her, and she pulled at my toy as I unleashed my melons and fed them to her.

I fingered her twat and she moaned into my pillows, muffling her delight, but her enjoyment was definitely showing through as I pulled my soaked fingers out from between her hot lips. Her cunt was ready for some fucking, so I laid back and told her to mount me. She slid her cunt down and engulfed

my fuck friend in one smooth stroke, taking it in as deep as it would go. I bounced her up and down, and she rocked back and forth on her knees, making sure she got full penetration with each and every stroke.

I was watching her nice D-cups bounce up and down, and suddenly, to my surprise, I saw a hard cock sliding between Autumn's lips and down her throat. I had watched Autumn suck a lot of dick the night before, so I wasn't surprised to see her take one more, but I was sure happy to see that he could rise to attention one more time! Autumn was just as happy to get him going, and she made sure she kept her head bobbing up and down so we wouldn't lose a good fuck-toy!

I needed some cock in my cunt as well, but I didn't want to stop fucking Autumn either, so I thought I would try something that I hadn't done before. I got Autumn up on her knees and stuffed my toy back into her snatch, then invited our friend to stuff my pussy full of cock from behind. Autumn had him rock hard, and he had no trouble jamming his pole into my fleshy folds. I was dripping wet and with every stroke he pounded into me, I was being jammed forward and filling fluffer cunt.

I was loving the feeling of stacked pussy being ground together, and loving even more hearing Autumn moaning with delight at her pussy getting pleasured, although I could barely make out the sounds since I was starting to scream out my own pleasure! I love a good fucking, and this guy was giving it to me good. I let him set the pace, and he responded by pounding at me harder and harder

with each passing second. Autumn loved that as much as I did, because the harder I got slammed, the more her own lips were getting split!

I realized that I was kind of being greedy with the real cock, so I pulled forward and felt my slippery lips reluctantly let loose of the meat that had been filling me up. I kept Autumn in her position and slipped myself under to take a taste of the cunt I had just vacated. I motioned for the cock to follow my mouth, and I got a great close up view as the thick member parted her meat-curtains. I licked the shaft as it ran in and out of her slippery sheath. The taste of them together was awesome, and as he slammed into her his balls were dangling down into my face and I took turns drawing them into my mouth.

All the sensations must have been too much for him to handle, and soon he groaned as he pulled all the way out and dropped his load right on my face! I eagerly gathered up as much as I could off my face and into my mouth so I could taste as much sex as I could, and Autumn spun around to get her share of the man milk to drink. She sucked what was left off my face and kissed me deeply and we swirled the semen between our tongues.

With that final load of cum, this trip was over, but it has only been one more stop on an awesome adventure! I can't wait to see who is going to be cumming next time!

Keep on cumming!

Rhiannon's
Breast Of Times

Donna and I had been the best of friends since we were in kindergarten. We had been through just about every sort of experience imaginable together; the beginning and breakdown of relationships with boys from grade school through college. We even started developing at the same time. Except lucky Donna, did not have to buy her natural F-cups, unlike myself who had to pay a small fortune for my boobs. At around the age of sixteen years old it was time for us to try something else; something that we knew was taboo with our strict Catholic upbringing. We were at a sexual height where we both felt as though we were in heat constantly. Therefore, we decided it was time for Donna and I to explore each other's feminine physiques. Donna was hot! She was 5'4", 108 lbs, with sandy blonde hair and sported those natural F-cups. What a package!

Since we had a Friday night routine where we had sleepovers at each other's homes, it was easy to take our relationship to the next level. I think it actually began when we started getting our hands on adult movies and magazines. Our typical Friday nights before our introduction to "porn" were usually phone calls to our boyfriends, while one of us inconspicuously listened on the other phone, make-up and hair make-overs, beauty tips, watching movies and getting drunk.

Not anymore. After discovering porn everything changed. The movies and mags reinforced that it was "ok" to be with another woman. And we took full advantage of that consent. Friday nights would never be the same!

It started out with me, as always the one who initiated everything, putting my hand on Donna's leg. I wanted to gauge her reaction and see if she was receptive. She just smiled and said;" You've wanted this as long as I have".

Before I could respond she had her mouth plastered on top of mine. The next thing I remember Donna slid her hand under my T-shirt, grabbing one of my breasts in her hand and giving it the gentlest squeeze. She then sucked and licked my perky pink nipples. And I thought I was the antagonist!

After she fondled my breasts she begged me to fuck her. I was always prepared because I had been masturbating since I could speak. I pulled out a variety of toys from under my bed, but Donna did not want to use any

23481, 23582

of the toys. Instead she whispered in my ear to finger fuck her, as she put her mouth on my neck, leaving soft kisses as she worked her way to my watery mouth.

I moaned as she worked her hands back to my breasts. Then while holding both breasts she began to nibble on my nipples. She tenderly sucked around the areola. She wanted to be finger-fucked, but that wasn't going to happen until I felt she was dripping and begging for pussy attention. I returned her gesture by grabbing hold of her squishy giant hooters. They were heavy and her nipples were big and brown. I loved her tits. I loved them with my hands and my mouth. I could play with those heaving hooters all day and night.

I could feel Donna start to quiver as she attempted to take my hand and force it on her pussy. I told her she was not juicy enough. I taunted and teased her as I skimmed my hand over her pussy. I slid down her sleek, smooth body and made my way between her thighs. I laid my head on her pussy and used my hair to massage her throbbing cunt. I blew warm breathes of air across her swollen clit. I gave her soft kisses on her exquisite thighs and her freshly shaved pale pink pussy. She was going out of her mind with excitement.

"Donna" I moaned, and she just smiled, knowing she was getting ready for exactly what she wanted. I laid on top of her, tit-on-tit, grinding her humper with mine. I wrapped her legs around my hips so she could pull me closer to her moist pussy.
By now, my pussy was dripping wet with desire.

"Okay Donna, I know this is what you want and because you were such a good little girl in letting me suck your tits and kiss my way up your legs; I won't make you wait much longer."

"Rhiannon please let me fuck you with my golden tongue," she asked with such innocence.

"Okay," I said as she wiggled her way down so that she was looking straight into my engorged pink hole.

I moaned with delight as she slid her tongue inside and played with my clit with her left hand, squeezing it and pinching it. Suddenly, she pulled away and before I understood what was going on, her mouth clamped down on my clit, sucking it and lashing it with her tongue.

"Bite it," I said!

"I want to suck your pussy

too," I said, looking me in the eyes as she nodded. We got into the "69" position and in rhythm we began to lick away. "You like this don't you; you little slut?" I said as she nodded and moaned as I stuck not one, not two, but three fingers inside her.

I could hear her breathing getting deeper and deeper as I began working up a rhythm that I knew would bring her to the edge. "I'm gonna cum soon," she panted as I continued sucking her clit with my mouth and finger-fucking her.

"Let me kiss you while I come," she said.

"Okay," I replied and worked my way back up with gentle kisses all over her body.

When I finally reached her mouth, I clamped my mouth tightly on hers to muffle her so the rest of the house would not hear us. I continued to grind my pussy on top of hers. We humped in complete harmony.

Pretty soon I felt her trembling. I knew I had Donna exactly where I wanted her, teetering on the edge. I reached down and easily slid my fingers into her drenched snatch.

"Come on Donna; come for me like a good little girl," I said, smiling down at her.

Sure enough, she exploded and my hand was soon covered in her pussy juices. She lifted my hand to her mouth and sucked on my fingers, her eyes shining with the thrill of delight.

She rolled me over and climbed on top of me. Once again, we were pussy-to-pussy and tit-to-tit. We drove our tongues deep inside each other's mouths, spitting and sucking the juices back and forth. Our twats were soaked. I could feel our commingled juices rolling down my thighs.

As we picked up the pace, I could feel the tension building inside. My clit was hard and swollen. Just as I recall saying to myself, " I can't take another stroke" I exploded like a damn! My cream was pouring out of my pussy and all over Donna. Donna immediately raced down between my thighs and lapped up my emulsion, like a puppy.

We both collapsed for a few minutes from all of the excitement and action. We looked at each other and knew this was just the first of many great Friday nights to "cum".

See you next month

Summer of 69

WRITTEN BY I.M. HUNG ILLUSTRATION BY AARON WARNER

I was a virgin when I arrived in Vietnam in June 1969 at the age of 24. As a cook, I saw little action in the field, but plenty of action in the sheets. My only previous experience with girls had been with my high school sweetheart back home. We never had intercourse. She wanted to save it for our wedding night. But she sucked cock every day of the week and twice at night! She knew how a guy needs to be drained daily and she did her duty without hesitation. Her big pink lips slid around my pecker firmly and up and down that girl's head bounced until I blew my chowder in her mouth. She would look up at me as sweet as pie and smile, proud of her work, wiping her little mouth clean from any leaked pud gravy.

No sooner had I set foot in the jungle then I received a *Dear John* letter. She said she found "true love" with some guy she met after I left. It was hell trying to spank it to her photo without the thought of some college guy stickin' his dick in her fresh, ripe, pussy that was meant for me. So you can guess how glad I was when my first weekend pass came up and I was off to a weekend in town!

Up until then I had only heard stories from the other guys about the bathhouses and the girls who bathed soldiers in warm water, and jacked them off with a soapy five finger grip. A bunch of us hopped in a truck and you could almost hear the boners pop up the closer we got to town.

We turned down a rode behind the main city street. When we all piled out of the truck and ran for the nearest brothel, I realized how awkward this might be with so many GIs wanting pussy at the same time. I followed the crowd to a door in the back of a hotel and in true military fashion, stood in line and waited my turn. Shiny black haired girls with their tiny, thin bodies would walk by and rub our dicks through our fatigues. They wanted to keep us all hard so we would stay in line and not leave to go someplace else. The third girl to do this slid her hand inside my pants and worked my pecker into a rock hard tool made to fuck pussy. It was pulsing as she slid her fingers around the tip and down the shaft, lightly rubbing me off, but stopping before I'd come and then leave with a freebie.

I finally got up close enough to see inside the door and the pressure was overtaking me. I could see a naked Vietnamese woman getting fucked by a soldier who hadn't even taken his muddy boots off. As he pounded away at her pussy, the sheets were muddy from him and all the other guys who had humped her that day, or in the past hour. For the $3 I was going to pay, and being my very first time, I really didn't want to have sloppy seconds… or twenty-seconds, in this case.

I jumped out of line and found something better inside a crude tent hanging between two buildings. I walked into what appeared to be a traveling circus. There were props and trunks and performers carrying their gear, getting ready for the next performance. Two girls smiled at the full length boner-bulge in my pants and motioned for me to come over as they giggled and chirped away to each other in some language foreign to me.

They may have been part of the freak show since their breasts were incredibly huge. I had never seen tits as big as these big titties were! They dropped their robes to reveal these watermelon sized fuck-udders with dark, erect nipples so big it was difficult to fit my mouth around. I was sucking away on these broads, moving from one fat titty nipple to the next, as they unbuckled my pants, pulling them to my knees and gasping at my raging hard-on. One girl took my stiff cock in her mouth, running her tiny hand up and down the shaft while she gurgled and slurped my puffy, purple dickhead as it plowed her face, disappearing deep into her mouth. Her friend or sister, or whoever she was, took my balls and played with each of them, fondling and lifting them to her mouth as she sucked the nut inside, and smiled at me. I didn't speak a lick of their language, but I wasn't about to stop them!

They laid me on a trunk and the cocksucker positioned my prick just inches from the other girls twat. They ordered me to fuck her. "Now! Now!" I understood, spearing straight into her little, tight hole. My nuts about exploded. I just about did ,except the ball sucker held the skin above my stones so tight it kept me from blowing a load. She would release and suck my balls, then clamp it and we would fuck more before they switched. They were getting off on the idea of fucking an American and my big dick. I just kept fucking pussies.

Before long we were in an orgasmic orgy as I held their massive tits in my hands and milked them. I sucked those big nipples and wedged my head in between their boobs. One would start eating the other girls twat and I would fuck her pussy and watch her tongue dart inside and out of the pink folds of the slick, wet snatch she was devouring. Then with one move, I fucked the tight twat of the other girl and now she was eating the other whore's cunt. I pulled the girl down and positioned her so I could fuck away on those massive melons while she licked out my butt hole. Her legs parted for her friend to get in with a short bamboo stick and she fucked her with it. I fucked her titties while she got fucked with the bamboo. Her friend turned around and stuck her ass in my face so I stuck my mouth up her twat so far I tasted what she had for dinner last week, licking inside her juicy box as I forced my nose inside her pinching asshole.

Surprisingly, she was the first to come. Her juice ran down my face and I kept eating her cunt until she squirmed away from the intense probing of my tongue up her twat. Then she reached for my big cock and gripped it firmly, beating me off against the other girl's titties. A lot of "Oooh"' and "Oooh-yah" was the only thing coming out of their mouths besides my dick when they would take a drag on it. The girl on the bottom swung around into some contorted position so I could have one last fuck in her pussy before shooting my load all over her creamy tits. Out it came in one big gooey mess all over her big boobies, and like two starving dogs they quickly lapped it up while it was still warm and puddling in her cleavage, which I found out later is a custom that supposedly helps maintain their youth.

Without uttering a word I pulled up my pants and left the same way I came in, catching a glance at the circus poster promoting an act featuring two female acrobats, each over 100 years old.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING NIKKI BENZ

While I just love cock, some of my hottest photoshoot experiences have been with other girls. Recently I was booked for a shoot in LA. I was told that it would be a girl/girl set with someone named Alektra Blue. I didn't recognize the name, so I Googled her and when I found a picture of her, my pussy got immediately wet.

Since I had a few hours before the next day's shoot, I sat back in front of my computer and looked through more of her shots. The more I looked the hotter I got, until I couldn't take it any more and slipped a hand down into my moist panties.

My pussy was so hot and drippy I easily slid a finger between my velvety folds to pierce my hole. It gripped it tightly as I push in deeper and deeper. I feel a rush of passion sweep through my body as I look at Alektra's sweet lips. As I continue to fuck myself with my fingers, I fantasize what it will be like in a few short hours, to actually be confronted with her beautiful body.

As my orgasm approaches, I close my eyes and dream about pulling her face down between my spread thighs and grinding my open slit up against her hot tongue. That little vision is all that I need to push me over the edge into a blissful cum. I bring my fingers to my mouth and greedily suck off my own cream and then climb into bed to continue dreaming about the next day's adventure.

I get to the set before Alektra and start applying my make-up. I hear that someone else has entered the studio. As I turn around I see the stimulant of last night's orgasm. She is even more stunning in the flesh. Introductions are made and she settles in next to me to apply her make-up. We were chit-chating away like a couple of old friends. I felt completely comfortable with Alektra – as well as being extremely turned on!

Once our make-up was finished we were called to the set. By this point, the underlying sexuality was bubbling out of each of us to the point where we barely made it onto the set before falling into each other's arms.

Upon seeing what was happening, the photographer just stepped back and began shooting. Our lips met firmly together and tongues were sucked deeply. Her hands went quickly to my big tits and she squeezed tightly. The feelings that I had last night were nothing compared to what I was feeling in the flesh.

I dropped to my knees and wrapped my lips around one of her nipples. Sucking it between my lips I bit down firmly and felt a shiver crawl through her body. Her hands went behind my head and pulled me closer. I was ravenous for her skin.

She pulled away and eased me back onto the couch. Her mouth pounced on my open pussy and she set about flicking her tongue across my clit. The little bud sent shock waves through my body. I wrapped my thighs around her head and pulled her closer to my gooey sex. Her tongue shot out into my hole. My eyes clenched closed as the first orgasmic wave coursed through me. My hips rose up to meet her oral attack. The cum had actually been building since I had first seen her pictures and it was even better than I had fantasized.

The camera kept clicking.

I pushed her off me and grabbed a couple of dildos that were lying on the set. She took one while I eased one into her cunt. She was as wet as I was. The toy slipped easily inside, until my knuckles were rubbing against her swollen love-bud. I fucked her with the tool, pushing it all the way in and than pulling it nearly all the way out. I increased the speed until I was pummeling her with the phallic tool. Her legs spread open wider to allow me full penetration. Her hips rose up off the couch to meet my thrusts. She started to moan and tell me, "fuck me harder, fuck me faster!", which I was only too happy to do.

As I filled her pussy repeatedly, I leaned forward to lick her love-bud. Her hands went to the back of my head and pulled me in closer. She had such a grip on me that I was barely able to work my tongue, so I just sucked her clit while the plastic cock split her slit.

I slipped a hand under her ass and squeezed the firm little globe. With that I felt her muscles tighten. She began a very deliberate grind on my face. I kept the cock going, but it was obvious that the attention I was giving her clit was what really mattered.

The moans got louder and louder. The camera clicked.

My tongue massaged her button. Around and around it went. I didn't vary the speed or the pressure. Slow and steady. Lick and flick until I felt her hips rise up one last time. She exploded over the orgasmic edge erupting her cunt-cream all over my face. I still kept the same pace until I felt her ass muscles relax. I continued to lick, but gradually began to back off until I pulled completely off her and retracted the toy. I slithered up her body until we were face to face. We shared her juices as we licked up both sides of the plastic phallus. She then licked her cream from my coated face.

The camera clicked.

We were so into each other that the session lasted much longer than it needed to, but as you can see, we got some great shots.

SAVANNAH JANE

Savannah Jane arrived here, with driver in tow, for pictures, paperwork and an interview. About five minutes into it she grabs my cock through my pants. I stand up to give her access and she pulls down my pants and starts to blow me. That was the end of the interview for about two hours! She ended up fucking both me and her driver and still seemed like she had plenty of energy. After a shower she filled me in on what she's all about.

Savannah Jane measures an incredible 34-DDD/F-cup. Together with a 34-24-34 figure, this 5'4, 110 lb. dynamo is impressive on all fronts. She was three years old when her parents found out she was hearing impaired and is now completely deaf, but speaks really well. She has a chopper she rides around the San Fernando Valley, she hunts, collects guns and knives, backpacks, has ridden professional rodeo and loves guys in uniform.

Born and raised in Florida, Savannah started stripping in college 11 years ago in Rochester, New York. She studied Biomedical Forensic Photography as her major with a psychology minor. She tried Biomedical Forensic Photography after graduation but she says everything went digital as soon as she was out of college.

After school she became a pool girl which lasted for 10 years. She told me how a housewife seduced her while she was fixing a filter motor. She said, "it was so fuckin' hot! The MILF made lunch in lingerie."

Next, Savannah said, "I was working as a social worker and going to massage school, then I did massage at night while I worked for Child Protective Services as a social worker in the day". She resigned from Child Protective Services in Nov. 06.

Back in 2000 she was on the Howard Stern show as a deaf dominatrix.

After meeting some people at a bachelor party at a swingers club she was introduced to the world of porn. She's been in the biz since the middle of July 2007 and her first scene was for Club Jenna called "MILF School". She's also been in "Limo Bimbos", "Whore at My Door" and is working more since coming to the L.A. area.

I asked what it's like being hearing impaired on the set. Savannah said it was usually OK for the most part but she has been discriminated against - rudely - in the industry by one company in Florida. She said she was told, "I can't shoot you with that hearing aid in" by the producer and when she took it out he just said, "Get off my set!" The first company she shot for in L.A. was Club Jenna and she says that director Bill Fischer is the greatest!

Savannah Jane hopes for a contract in the future (and given the energy and stamina she had fucking me and her driver's lights out) I urge all shooters to book her. Producers and fans can contact her through her website ClubSavannahJane.com, email her at SavannahJaneXXX@AOL.com MySpace.com/SavannahJaneXXX.

VICTORIA VALENTINO

Victoria's petite height of 5'2" tall serves to make her 36DD-25-36 figure even more striking. Top this with a voice that makes her laugh sound like little bells and you have a fair impression of how awesome this girl is in person.

Hailing from Scottsdale, Arizona and in the biz since March 2007, Victoria has already won week 30 of TheHottestGirlInPorn.com's fan-voted contest and was nominated for feature entertainer of the year at the Exotic Dancer Expo. She's also a finalist in The Hottest Girl In Porn contest at the 2008 AVN expo. With beautiful layouts in the September 2007 and March 2008 issues of Gent under her g-string, Victoria's career as an entertainer appears to have booster rockets!

A former stockbroker, Victoria has a problem with jealous people, is really down to earth and likes to talk. "I wanted to be on soap operas", she said, "I have a degree in communication and a minor in Psychology." She claims to have been really shy when she was younger but it's certainly not apparent.

Victoria loves acting too - she wants to be in more feature films. "Gonzo is cool but I like a script to follow." Victoria tells the story of shooting for a Vivid film, "PT I believe was the director, 'My Chauffeurs Daughter' which will be released in 2008. We were on set and he sat me down and very calmly explained 'here's what you do...' then: Lights! Camera! Action! And he yells 'OK Victoria, BLOW HIM!'"

Some of Victoria's favorite people to work for have been Naughty America, Lethal Hardcore, Elegant Angel and Vivid. Look for her in "My Chauffeur's Daughter", "Cougars in Heat", "Big Boobs the Hard Way 4" and "Who's Your Mommy", to name a few. She has her creative side too. She tells me she co-wrote the 3rd scene in "Big Boobs the Hard Way 4".

Victoria wants to start her own line of videos in 5-7 years or open her own lingerie shop or makeup salon. She loves modeling and makeup, wants to learn production and help other girls with featuring. Look for her to start feature dancing soon as well. She says it's a priority.

Attention directors: Victoria doesn't do anal but is interested in shooting fetish, submission and wants to do big-boob mud wrestling.

Contact Victoria through Lisa Ann's Talent Management at LisaAnnsTalentManagement.com or 818-501-2240 to book her for movies and exclusive videos. To book Victoria for feature dancing go through Pure Talent at Pure-Talent.com or call 813-818-0334. Go by her website XXXVictoriaValentino.com and check her out.

TIT BITS

I left off last column in a motel room in San Francisco interviewing for a new editorial assistant. Well, she's hired. Go to Adult Industry News (AINews.com) and meet Rebecca Anderson - she's FreakyTiki! We welcome Rebecca to AINews and the fact she has really big tits had nothing to do with it.

NIGHTMOVES AWARDS

The 15th Annual Nightmoves Awards and Tampa Show took place October 4th to 8th this year with a slew of really great stars! Just a few of the many stars: Stormy Daniels, Delilah Strong, LaTia Lopez, Anjelica Lauren, Christy Wilde, Vivian West, Maya Devine, Carmen Luvana, Veronica Rayne, Gina Lynn, Lisa Sparxxx, Eva Angelina, Lexi Lamour, Regan Anthony, Sandra DeMarco, Kylie Ireland, Devon Lee, Damien Davidson, Tessa West, Rachelle Ryan, Trina Michaels and Gianna Lynn.

Thursday October 4th we were bussed to the Oz Gentleman's Club Welcoming Party where the "Caravan of Stars" signed autographs, sold merchandise and some of the girls performed on stage.

Friday the 5th was a day set aside for interviews where I got a shot of Anjelica Lauren and a huge albino python. Anjelica was terrified but wanted the photo op. At one point she appeared so scared I thought she was going to pee - which would have been another photo op. I interviewed Anjelica, so watch for it.

There were two Caravans tonight to Foxy's Gentleman's Club and Club Extasy. The clubs are cozy-small and we had to split the group and switch clubs half way through the night.

On the bus ride there Lexi Lamour and Ethan Cage had the biggest bottle of vodka I've ever seen. Later that night Lexi and other girls went naked in the hotel pool. From the balcony overlooking the pool Anjelica Lauren and Devon Lee came out of their rooms naked to see who was having fun down there. Gotta love Florida and casual nudity!

Another balcony overlooking the courtyard was privileged to see Maya Devine and company outside their room near the elevator flashing and getting crazy. Maya is one of the sweetest girls I know.

Saturday the 6th we Caravanned to the Tampa Gold Club. At this club I finally got to talk with Sunny Lane who is a native of Tampa and is enjoying being a big part of the show. Tampa Gold has the best-damned buffet I've ever seen in a club.

Back at the hotel bar Ron Jeremy walked in and all hell broke loose! It was a frenzy of girls and flashing.(Both tits and cameras.) At one point Tony Batman got his dick sucked by two over-zealous girls while standing in the middle of the floor.

Tiana Belladee came up to my room to shoot some stills and we ended up banging on the bed. It was good. Then, Vivian West was at the pool and jumped on me - literally - and we jumped naked into the pool. She was drunk and accidentally kicked me in the balls. No biggie. Since I was done using them that night, I didn't mention it.

I got a new respect for Barrett Blade and Eric Masterson at the pool that night. They are both stand up guys. Barrett, who was chosen Best Actor this year by the fans, reminds me of myself when I was a young delinquent.

Sunday Paul and Tracy Allen graciously opened their home to the stars and the many friends of Nightmoves there in Tampa. Paul and Tracy's BBQ is always fun with lots of food, games and naked girls. Bree Olsen who was celebrating her birthday was given a cake.

The Nightmoves Award Show took place on Monday the 8th at Bricktown 54 in Clearwater. It was a great show with class entertainment. Read AINews.com/story/12471 to see who won what and follow the links to the Nightmoves sites for pictures.

On the flight back to Las Vegas I got to recuperate somewhat from all the hours awake and the ear ache from eating pussy under water. Then I drove to San Francisco where I interviewed for a new Editorial Assistant. It was a great drive except for the flat tire between Baker and Barstow. Over night in a cheap motel, (note picture of chair and white rope), and I've got a new assistant. San Francisco has some kink! Look for articles written by Rebecca Anderson on Adult Industry News (AINews.com) and check her out!

BIG BOOB FANSHOOT

Martin Solo, Producer at Flying Rabbits Video (FlyingRabbits.tv), is trying to get a "Big Boob Fanshoot" off the ground. Using a huge sailboat to cruise around the Caribbean for a week, fans will cruise with girls like Kerry Marie, Lorna Morgan, Angela White, Ms Panther, Miss Deja and Lisa Sparxxx.

The Fanshoot evenings would see dinner and dancing, giving the fans the opportunity to get to know their favorite big boob models up close and personal. Martin's now trying to find sponsors to knock the costs down for the fans.

CLEOPATRA OF THE NILE ROAST

Cleopatra was roasted at her birthday extravaganza November 6th by Wankus, Bettie Rage, James Bartholet of LA Nitelife and Tony Batman of A! Entertainment at the club "Life On Wilshire" in Los Angeles.

Media outlets and photographers, several TV stations, Xbiz and Adult Industry News (AINews.com) covered the event and shot the stars who walked the red carpet including Precious, Lori Pleasure, Monica Mayhem, Carmen Hart, Nikki Hunter, Michelle McLarren, Elaina Heiress, Kitty Lee and a crowd more.

The party celebrated Cleopatra's career thus far spanning 10 years in the entertainment industry. The night was laced with embarrassing, humiliating and funny stories about Cleopatra.

KITTY LYNXXX SHOOTS IN L.A.

I was invited down to Donny Long's studio the other day when he was filming one of my favorite girls, Kitti Lynxxx. She did a little shtick about having her boobs and booty won on a bet. Donny, filming for his company Donny Long Productions, directed and shot the footage for one of his clients who sent him the script, which appeared to be custom written with Kitti in mind.

It was good seeing Kitti again having last gotten a gander at her gorgeous gazongas in Las Vegas during the Exotic Dancer show where Gent editor and photographer Anton Fury shot a few sets of her. I'm looking forward to those shots of Kitti gracing the pages of an upcoming issue of Gent! (Last issue. Fury)

That's it for now and I can't wait until next month when I get to tell you about a voluptuous blonde named Bunny with enormous natural knockers! Don't forget to write and let me know if there are any girls you would like to see featured in "The News Rack". Write to me, Steve Nelson, at Editor@AINews.com subject: "Gent Column", or at www.MySpace.com/ReadAINews.

BIG BOOBS 6
The HARD Way
NO BOYS ALLOWED

FYA presents an All-Girl, Hot Lesbo edition of the Best Hardcore Big Boob series ever... Big Boobs The Hard Way 6, No Boys Allowed! The sexiest, large-breasted women give their uninhibited ALL in the kind of lustful performances that only a woman can inspire from another woman. Carpet munching, gash grinding and nipple licking are some of the fun sex games played when there's No Boys Allowed! Carly's interviewing Angelina for a job as her pool-cleaner. Angelina doesn't have enough work experience, but she'll have plenty of sex experience by the time Carly shows her the ropes. She'll do "anything" to get the job, and she eagerly demonstrates her pussy licking skills! When Savanah and Audrey get into the jacuzzi, the water is not all that heats up. It's outdoor girl-on-girl action with hot cunt probing and passionate tongue kissing. Backstage at an adult film casting call, Abby and Gent covergirl Mia Starr get tired of waiting for their turn to audition, so they practice on each other. They share a double-headed dildo that brings them to an explosive mutual orgasm that brings the scene to a screaming crescendo. While Layla and Alexis are waiting for guests to arrive at the pool party, there's plenty of time for licking, sucking and exploring each other's fine bodies. There's No Boys Allowed at this wild sex party, but you're invited to watch! DD-CUP

BACK STAGE PASS

BIG-TIT BROTHA LOVERS #9

FROM EXQUISITE MULTIMEDIA

CLAIRE DAMES is one hot chick. She starts her scene by rubbing chocolate syrup all over her body. She then starts to play with her pussy and big tits while licking the chocolate off her nipples. At this point, she's so horny she proceeds to the shower to wash off the chocolate and in comes Ethan Hunt. She drops down on her knees and starts to suck his cock. She puts his cock in her mouth as she bobs her head up and down tasting every inch of it. Ethan then starts to titty fuck her nice big tits while she sucks the tip of his head.

They start fucking in the bathroom then proceed to the bedroom where he throws her on the bed, spreads her legs open and starts to fuck her pussy making her scream and beg for more. Claire at this point is confused with pleasure. She does not know whether she wants his dick in her mouth or in her pussy, so she alternates positions back and forth, from sitting on his cock then going down to suck it. Ethan then ends up fucking Claire really hard until she is out of breath by this time; Ethan is ready to pop his load and makes Claire drop to her knees while he cums in her mouth. She licks it off her sweet lips tasting every drop.

KENZIE KYLE is new in the biz. She is young and sweet. This is her first scene and she can't wait to get started. Her tits are all natural, 36D with nice big pink nipples. In comes Tyler tasting that nice fresh meat for the first time. He starts to suck her nipples and tells her how sweet they taste. Tyler then starts to rub oil all over her tits, getting them nice and oily to wrap his cock with her tits. He titty-fucks her for a bit then breaks her in by putting his cock in her mouth, having her suck it with her nice sweet innocent lips. Kenzie is loving every minute of it and boy can she suck a cock.

Tyler then goes down, slowly pulls off her panties and spreads her legs open to taste her sweet pink pussy. Kenzie is getting very horny and is almost ready for his cock to start fucking her. He slowly inserts his cock into her sweet tight pussy and starts to fuck her while rubbing her tits. He then tells Kenzie how good her pussy feels and how soft her skin is.

After fucking her hard for a few minutes, he pulls out his cock and has her suck it slowly then goes back to fucking her. Tyler then gets Kenzie down on her knees and comes in her mouth. Kenzie thought it was great and loved it. She even wanted to continue after the scene was done. Watch out for this one, she will wear you out.

BROOKE is a big-breasted blond who is new to the biz. This is also her first scene ever. She has creamy white skin with large tits and a nice shaved pussy. Brooke likes to fuck and although she is kind of nervous, she is ready to fuck Nat really hard. She starts by sucking Nat's cock like a hungry tiger eating its meat, while her titties are bouncing back and forth. She tries to swallow every inch of Nat's cock and comes up gasping for air. She tries one more time to go all the way down almost reaching his balls. Nat then turns her around and starts to fuck her nice big juicy tits. Brooke then begs Nat to fuck her, so he grabs her and takes charge in every position imaginable.

The only thing Brooke can say is "oh shit" and "fuck me harder". Brooke then bends over doggie style while Nat reams his cock in and out of her really hard. You see her nice creamy ass and big tits bouncing back and forth. Brooke can't wait to taste his creamy cum so she begs for it. He opens her mouth and spits his load in there while she swallows it and tells him how good it tastes. Not bad for a new comer. She should do really well.

LEXI ROSE is an all-natural 38D. Boy this little girl has some really large tits. Her favorite position is doggie style. She loves a cock really deep in her pussy. She starts by licking and sucking her nipples.Boy it looks hot.

In comes Jon Jon and starts to massage her titties with oil. Lexi lies back and enjoys her sensual titty massage. Jon Jon really loves her big tits and can't wait to put his cock in between them. Lexi is begging Jon Jon to pull out his cock and titty-fuck her. She is taken back by his size and can't wait to taste it. She puts his cock right in her mouth and starts to suck it, attempting to take every inch.

She then lays back, and puts his cock between her big 38D tits and starts to squeeze them together for him to titty-fuck her.

Lexi then started to beg Jon Jon to give her that dick so he spread her legs open and shoved it in. She screamed telling him "give me that dick" and "it feels good". Jon Jon fucked her harder and harder. Her pussy got really wet as he was coming in and out.

Lexi is one horny chick and loves cock anywhere she can take it. Jon Jon pops his load in her face and she continued to suck him even after he came, as if she wanted more.

ALEXIS SLIVER has some really nice light brown tits. She is known for her big nice natural titties. Alexis teased Broc Adams with her big tits since he had never tasted such large juicy morsels.

Alexis sat on the sofa playing with her tits while licking her nipples one at a time. She slowly took off her shoes, got on her knees and started to suck Broc's cock. She licked it up and down like an ice cream cone, melting in her mouth. She slowly removed her pants and panties then continued to suck his cock, while playing with her pussy.

Alexis then laid on her back and put Broc's dick between her nice big tits while he tit fucked her.

Alexis is such a horny chick that she begged Broc to fuck her nice tight shaved pussy. Broc spread her legs wide open and without hesitation stuck his hard cock in her tight pussy and fucked her.

Broc fucked her until he came all over her big tits. Alexis took his creamy white cum with her finger and put it in her mouth, swallowing every drop.
